Examples of Environmental Product Declarations for Zumtobel Lighting Luminaires with typical characteristics

VIVO L 27W LED830 TEC FL-S SRM

Ordering code: 60711878

LED spotlight with stabilized colour temperature "Essential Stable White", with TECTON adapter for simple and straightforward installation of luminaire on the TECTON continuous-row lighting system; 27 W LED/830

Download EPD, datasheet etc.
VIVO L 27W LED830

PANOS INF E200HG 32W LED930 LDO WH

Ordering code: 60812666

Ceiling recessed "Stable White" LED luminaire, stabilized colour temperature; symmetric wide-beam light distribution with maximum luminaire efficiency and optimum photometric properties for office applications; 32 W LED/930

Download EPD, datasheet etc.
PANOS INF E200HG 32W LED930

ECOOS ID 1/54W T16 LDE

Ordering code: 42177940

Indirect/direct luminaire with MPO micro-pyramidal optic, with digitally dimmable electronic ballast, DALI controllable luminaire for T16 lamp, 1/54 W. Direct light component guided via single-piece MPO-plus micro-pyramidal optic; …

Download EPD, datasheet etc.
ECOOS ID 1/54W T16 LDE

FEC2 B 3/14W T16 M625 LDE

Ordering code: 42914936

Recessed DALI controllable luminaire for 3/14 W lamps, with reflector optic made of mat silver anodised pure aluminium, with digitally dimmable electronic ballast, …

Download EPD, datasheet etc.
FEC2 B 3/14W T16 M625 LDE

TECTON 2/54W T16 LDE WH

Ordering code: 42128552

Continuous-row luminaire 2 x 54 W T16, DALI controllable luminaire with digitally dimmable electronic ballast; …

Download EPD, datasheet etc.
TECTON 2/54W T16 LDE WH

SCUBA PC 1/49W T16 EVG V2A

Ordering code: 42174378

Moisture-proof diffuser luminaire 1/49W T16, with electronic ballast; fibreglass reinforced polyester housing, halogen-free, light grey; PC (polycarbonate) diffuser made as a single injection-moulded piece patterned with internal prisms; fitted to ceiling, wall or trunking using V2A standard spring clips; …

Download EPD, datasheet etc.
SCUBA PC 1/49W T16 EVG V2A

RESCLITE C ESCAPE ED NSI WH

Ordering code: 42180396

LED Safety luminaire for escape-route illumination
with a minimum output of 1 lx; ceiling recessed;
Luminaire for central emergency lighting supply …
Luminaire total power: 5 W

Download EPD, datasheet etc.
RESCLITE C ESCAPE ED NSI WH

For more Environmental Product Declarations of Zumtobel Lighting Luminaires please have
a look in our online Product Data Base (PDB) and look for precise product type or order
number, section **downloads**.

If the EPD cannot be found directly, please contact your local Zumtobel Lighting
representative.
